HEYLIGHT B1 | H5500-0303

The Original Benchmark for Backlit Excellence.

heylight B1 is the original benchmark in digitally printable backlit large format advertising media and a true pillar product for illuminated indoor and outdoor applications.

With its high-gloss finish, 30% translucency, and 500 g/m² | 15 oz/yd² construction, it delivers brilliant colors and outstanding light diffusion for both intermediate and long-term campaigns. Available in widths up to 500 cm | 197 inch, heylight B1 enables impressive seamless displays while offering storage stability of up to 12 months in temperate climate zones.

Flame-retardant according to national standards and also suitable for self-adhesive vinyls, it is the preferred choice for premium lightboxes, illuminated billboards, retail displays, and large-format branding.
