FRONTLIT B1/M2 | H6022-0295

Built for everyday Outdoor Impact.

Outdoor communication needs to work – simply, reliably, and over time.
frontlit B1/M2 is designed for medium- to long-term outdoor applications, offering widths up to 500 cm | 197 inch for seamless large-format visuals. With a weight of 500 g/m² | 15 oz/yd², it combines easy handling with dependable stability for façades, fences, and urban advertising spaces. It focuses on essential performance: clear daylight visibility, efficient installation, and reduced material complexity. Tested for flame retardancy according to European standards, it meets safety requirements while remaining a practical, uncomplicated solution.
A storage stability of up to 6 months supports flexible planning and efficient logistics.

The result: a straightforward frontlit solution made for the real demands of outdoor advertising.
