DISPLAY B1 | H7313-0295

More Possibilities. More Impact.

With a printing width of up to 500 cm | 197 inch , a weight of 235 g/m² | 7 oz/yd², and 12 months of storage stability in temperate climate zones, display B1 offers the extra plus in possibilities for textile indoor decoration. Completely PVC-free and certified according to international flame-retardancy standards, it is designed to meet the requirements of modern interior design, trade fair construction, and POS displays. Combining excellent print quality with a premium textile appearance, display B1 creates impactful graphics and decorative solutions while ensuring easy handling and reliable performance for a wide range of indoor applications.

Typical applications: interior decoration, trade fair and exhibition construction, POS displays, retail branding, frame systems, and large-format textile graphics.
