NIGHTFEVER STRETCH B1 | H7389-5975

Stretch Further. Block Out More.

With a printing width of up to 510 cm | 210 inch, a weight of 255 g/m² | 8 oz/yd², and 12 months of storage stability in temperate climate zones, nightfever stretch B1 is a premium PVC-free textile for sophisticated interior decoration and display applications. Featuring a black reverse side, it delivers excellent blockout performance while maintaining a high-quality textile appearance. Thanks to its knitted construction and enhanced stretch properties, the material offers greater flexibility during installation and is ideally suited for applications requiring smooth, wrinkle-free results on frames and surfaces.

Flame-retardant and easy to handle, nightfever stretch B1 is the ideal solution for wall coverings, trade fair construction, POS displays, and other interior applications where opacity, flexibility, and premium print quality are essential.
