

SKIRT 1400 | 7612 5241

**High gloss agricultural skirt with strong impact protection.
Durable shielding fabric for daily field operations.**

skirt 1400 is a sturdy solution for shielding components on agricultural machinery. Its high-gloss coating forms a smooth, dirt-resistant surface that remains easy to clean, even after heavy use. Its strong fabric structure can withstand the impact of small stones and the mechanical stress of mowing or shredding operations.

It provides farmers and equipment manufacturers with a dependable, long-lasting material that protects critical areas while maintaining a clean appearance.

Increased Stability

engineered 1.1 mm material thickness for increased durability, and reliable performance

Premium Finish

durable high-gloss coating enhances surface protection, improves cleanability and dirt resistance

Two width Configurations

up to 265 cm for flexible use across different application requirement
