

SKIRT PLUS 1400 DLG | 7677 5241

Quality protection for crop and stone impact.

Reliable shielding material for demanding agricultural machinery.

skirt 1400 DLG is designed for machines that work close to the ground, where small stones and cuttings are constantly thrown upward. Its high tear and tensile strength provide reliable impact protection, and its DLG-tested surface meets strict agricultural safety requirements. The one-sided lacquer finish keeps the material resistant to dirt impact.

For operators who need a reliable curtain every day, this skirt offers consistent long-term durability and robust shielding.

Tested Quality

complies with ISO 17103 for blade speeds < 90 m/s

Premium Finish

durable high-gloss coating enhances surface protection, improves cleanability and dirt resistance

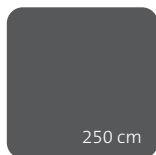

Wide Configurations

up to 250 cm for flexible use across different application requirement
