

SKIRT 1400 DLG | H3588-1D

**Enhanced DLG certified protection with refined semi matt coating.
Strong impact resistance with a cleaner, more durable surface.**

skirt plus 1400 DLG improves upon the standard DLG version with a semi matt finish that reduces glare and improves dirt resistance. This material absorbs the impact of stones and debris while maintaining its shape and stability during continuous use in the field. With its high tear and tensile strength, it reliably shields modern harvesting machinery.

It is a rugged, dependable agricultural curtain with a more refined, low-reflection appearance.

Tested Quality

complies with ISO 17103 for blade speeds < 90 m/s

Increased Stability

engineered 1.1 mm material thickness for increased durability, and reliable performance

Robust Matt Surface

high abrasion resistance, reduced glare, and long-lasting visual stability

**German
Engineered**

Other colors on request. Print colors may differ from the original depending on the paper and printing process.
