

SKIRT 1400 LQ | H5554

Semi matt coating for clean, low glare agricultural shielding.
Strong, reliable fabric for high impact crop operations.

skirt 1400 LQ has a semi matt finish that reduces reflections and enhances dirt resistance under daily agricultural conditions. Its wide format supports large machine designs, and its durable fabric construction withstands stones, crop residue, and mechanical loads.

It is easy to handle and robust, helping to maintain a clean machine appearance while providing the impact protection needed for demanding fieldwork.

Tested Quality

complies with ISO 17103 for blade speeds < 90 m/s

Increased Stability

engineered 1.1 mm material thickness for increased durability, and reliable performance

Robust Matt Surface

high abrasion resistance, reduced glare, and long-lasting visual stability

Wide Configurations

up to 250 cm for flexible use across different application requirements
