

## MARINE SUN PROTECT 390 AC | 4308 4952

**Textured, PVC free marine fabric for covers, sunshades and onboard upholstery.**

marine sun protect 390 AC has a distinctly textured, textile-like surface created by special yarn construction rather than a smooth coating. This gives the material a robust, modern appearance, making it suitable not only as a boat cover, but also as a marine sunshade or upholstery fabric. The PVC-free acrylic coating enhances abrasion resistance and color stability, while the lightweight design makes it easy to handle and fabricate.

It is a versatile choice for boat builders seeking a combination of practical durability and a refined textile character.

Status: 03.09.2026

### Acrylic Coating

PVC-free coating for lighter, cleaner and more eco-friendly boat covers

### Easy Handling

lightweight for easy handling and effortless covering

### Textile Feel

textile character with brilliant, long-lasting colors from spun-dyed yarns

### Weather Resistance

state-of-the-art UV stabilizers ensures a reliable weather resistance

**Standard width: 210 cm | 83 inch. Other colors or widths on request.** Print colors may differ from the original depending on the paper and printing process.
