MAT 600 LEATHER TOP PF | 8115 0641

Leather look durability with a safe, phthalate free formulation.
Refined surface feel for multi purpose sports mats.

mat 600 leather top PF provides a leather-like surface that feels stable and grippy, and looks refined. Its phthalate-free formulation ensures it can be used safely in environments where there is constant skin contact.
Its embossed texture provides controlled traction while remaining comfortable during training. Technicians appreciate the material's consistent processing and long-lasting appearance.

It is a reliable choice for gyms and sports halls that need a surface which performs well under repeated use and maintains a clean, professional appearance.
