MAT 650 AS | H5564

Enhanced anti slip surface for safer landings.
Durable and soft material engineered for demanding sports floors.

mat 650 AS offers enhanced anti-slip performance thanks to its specialized embossing, which supports safer movements and more secure landings. Despite its strong grip, the material remains soft, ensuring athlete comfort during training. It withstands heavy abrasion and repeated impact, delivering long-lasting performance.

For indoor facilities that prioritize safety and durability, this material provides a reliable, consistent surface.

German Engineered

Status: 03.2026

Balanced Protection

one-side PVC-coating for balanced protection, flexibility, and optimized material performance

Durable and Soft

Combines long-lasting durability with a pleasantly soft touch, offering robust performance

Optimized Thickness

optimized thickness 0,80 mm for strength, stability & maximum durability

Precision Rhombus Pattern

enhances surface strength and tactile anti-slip feedback while offering a modern, technical look

Phthalate-free

acc. to REACH (VO (EG) Nr. 1907/2006 for safer, skin-friendly use
