

## MAT 800 AS | H5565

**Heavy duty anti-slip matting for high impact sports.  
Maximum traction with long term resistance to wear.**

mat 800 AS is designed for high-impact environments where a thicker, more resilient surface is essential. Its anti-slip embossing provides strong footing, even under dynamic load changes. The robust coating can withstand intense abrasion and repeated impacts without degrading.

This material gives training areas a secure, professional feel and provides technicians with a cleanable, reliable surface day after day.

### **Durable and Soft**

combines long-lasting durability with a pleasantly soft touch, offering robust performance

### **Precision Rhombus Pattern**

enhances surface strength and tactile anti-slip feedback while offering a modern, technical look

### **Enhanced Durability**

double-sided PVC coating for enhanced durability, stability, and easy cleaning

### **Optimized Thickness**

optimized thickness 0,85 mm for strength, stability & maximum durability

**0777**  
grey

**Other colors on request.** Print colors may differ from the original depending on the paper and printing process.
