MAT 730 MMA PF | H7237

High performance PF mat surface for martial arts.
Low glare coating for focused training environments.

mat 730 MMA PF combines the classic texture of satin with a durable, phthalate-free coating. Designed for martial arts and dynamic floor training, it provides a stable, slightly cushioned surface that reduces slipping while remaining comfortable underfoot. Its abrasion-resistant finish can withstand repeated falls, rotations, and footwork.

Its consistent processing and soft yet tough character make it the go-to material for sports mats that need to endure heavy daily use.
