MAT 670 HEXA TOP PF | H7561

Soft touch mat surface with durable PF formulation.
Stable grip and long term wear resistance.

mat 670 hexa top PF provides a soft, user-friendly surface with enhanced scratch and abrasion resistance. Its phthalate-free composition meets the highest safety standards, particularly in environments where athletes train barefoot or in close contact with the mat. It provides a consistent weld and maintains a stable grip over time.

Designed for everyday sports environments, it provides a balanced mix of durability and comfort that can withstand repeated training sessions.

German Engineered

Status: 03.2026

Bettter Grip by Pyramid Embossing

offers excellent slip resistance, dimensional stability, and a premium, technical appearance

Durable and Soft

Combines long-lasting durability with a pleasantly soft touch, offering robust performance

Efficient Coverage

extra-wide material width up to 250 cm for efficient coverage and reduced seams

Free from Phthalates

one side modern foam coating without harmful plasticizers

Optimized Thickness

optimized thickness 0,90 mm for strength, stability & maximum durability
