

CRISTAL 500 | 3015 5340

Clear Vision for Everyday Spaces. Light, Flexible, Brilliantly Transparent.

crystal 500 brings clarity to moments that matter. It turns open structures into bright, welcoming spaces where wind and weather stay outside, but connection stays inside. Its soft transparency feels almost weightless, giving tents and awnings the sense of openness people love. Even after many days of sun, its clarity remains calm and true.

It's the material that quietly enhances every gathering – simple, honest, and beautifully clear.
