

CRISTAL 800 | 3018 5340

High Clarity Strength for Demanding Conditions. Where Transparency Meets Resilience.

When conditions become more demanding, cristal 800 steps forward with a confident stillness. Its thicker body holds shape even under pressure, keeping views sharp and the atmosphere bright. It creates a sense of openness while offering the sturdiness that busy venues require.

Whether in bustling hospitality settings or industrial spaces, it allows visibility and protection to coexist gracefully – a reliable window into every moment unfolding behind it.

Performance

crystal-clear PVC film with excellent visual clarity

Thickness

enhanced stability thanks to balanced material thickness of 0,8 mm

German
Engineered

The technical data are approximate values based on average values determined. For manufacturing reasons, deviations of up to -5% are possible. These technical specifications respond to the current state of knowledge and are intended to provide information about our products without legal obligation. These data apply to new goods. Suggested applications do not release the buyer from the obligation to check whether the material is suitable for the intended use.
