

CRISTAL 800 FR | 3028 5340

Strong, Clear, Fire Ready. Safety You See. Quality You Feel.

crystal 800 FR transforms temporary structures into spaces that feel secure without losing their openness. Behind its thick, transparent surface lies a calm sense of safety that allows events and workspaces to run smoothly. It frames the outside world with clarity while creating a protected, comfortable interior.

Even under intense sun or long use, it holds its character. It's the material that makes visibility and trust feel seamlessly connected.

Certified

FR certificates according to different norms (for further details, please see data sheet)

Performance

crystal-clear PVC film with excellent visual clarity

Thickness

enhanced stability thanks to balanced material thickness of 0,5 mm
