

KEDER HALLS | 7111 5340

**Secure Connections. Seamless Structures.
Built for Big Spaces and Smooth Assembly.**

Keder halls turns large tent modules into one flowing structure. Its smooth exterior glides into its track as if it were made for only one purpose – to create certainty. Whether assembling festival halls or commercial spaces, the material guides every movement with ease.

Once in place, it becomes the quiet anchor that keeps everything aligned, elegant, and ready for the crowds.

Structural Stability

supports uniform tension distribution across the tent surface and reliable sliding into profiles

Weather resistance

state-of-the-art UV stabilizers ensures a reliable weather resistance

Weldability

excellent weldability and less smoke during welding
