

KEDER CAMPING BB | 7141 5099

Light Handling. Strong Hold. Made for Movement, Built for Stability.

Keder camping BB is made for moments when tents become small homes along the road – setups that must feel effortless, even when the environment isn't. Its black base fabric gives it a distinctive, premium look while adding a quiet strength you feel the moment it slides into the rail. Smooth in handling and steady in hold, it turns routine assembly into a confident gesture.

Whether at festivals, camping grounds, or mobile workspaces, it becomes the unseen detail that keeps everything in place – reliable, clean, and ready for the next stop.

Premium look

black yarn for a harmonious, premium keder appearance on carbon tent

Structural Stability

supports uniform tension distribution across the tent surface and reliable sliding into profiles

Weather Resistance

state-of-the-art UV stabilizers ensures a reliable weather resistance

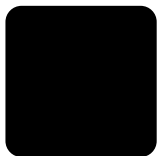

Weldability

excellent weldability and less smoke during welding
