

STORAGE TENT 580 FR | 8255 5240

Smart Protection for Lightweight Structures.

Light in Weight. Strong in Performance.

There are places where work never stops – where equipment waits in the open, mornings begin before sunrise, and weather rarely shows mercy. storage tent 580 FR was made for these moments. Light enough to move with ease, yet strong enough to stay steady through wind and temperature swings, it creates a space that feels sheltered and dependable. Its smooth surface keeps dust at bay, welds form clean, confident seams, and its flame-retardant design offers quiet reassurance.

Wherever the day leads, it brings order, calm, and lasting protection.

Light Weight

ideal for flexible temporary structures
