**Your Material for Unforgettable Events.
Design Freedom. Premium Performance.**

Some tents provide shelter – this one tells your story. print tent 800 FR BLO transforms every surface into a stage for color, identity, and emotion. Its print lacquer welcomes bold artwork and crisp details, turning large tents into magnetic brand moments.

Beneath the visuals lies strength: an 800 g/m² body that welds cleanly, resists weather with UV-stabilized calm, and blocks out unwanted light for full visual impact. Flame-retardant safety stands guard.

Where others build tents, you build experiences – one printed panel at a time.
