

STORAGE TENT ECON 650 FR | H5571-ECO

Superior Strength. Precision Performance.

Some structures need more than protection – they need presence. storage tent econ 650 FR brings that subtle sense of refinement, the kind that turns a tent into something almost architectural. Its premium coated surface catches the light with confidence, shrugging off dirt and weather with ease. Beneath that sheen is a strong, reliable core that welds cleanly and stays stable no matter the conditions.

It's the choice for builders who want performance, yes – but also polish, prestige, and purpose.

Certified FR

FR according to different norms (for further details, please see data sheet)
