

SHADE PLUS 900 II FR | H5673-L3

Robust Shade for Demanding Structures.

Advanced Performance for Lasting Comfort

shade plus 900 II FR stands at the intersection of strength and serenity. Built for harsher climates and larger spans, it holds its form against wind, heat, and the steady pull of time. Its glossy PVDF-sealed surface stays clean and composed, while UV-stability protects the membrane's integrity. Welds lock in smoothly, creating seamless areas of cool shade.

Whether covering courtyards, walkways, or open social spaces, it shapes an oasis that feels permanent – even when the sun is not.

Status: 15.06.2026

Certified
