

EVENT TENT PLUS 650 FR LW | H5871-LW

Certified Confidence for Event Structures. Lightweight Handling, Building-Grade Trust

Some venues come with stricter rules – and higher expectations. event tent plus 650 FR LW helps you meet both. It handles like a dependable 650 g/m² workhorse, finishes with a premium high-gloss sheen, and stays composed through weather and wear. Seams weld cleanly, surfaces clean quickly, and safety is more than a promise: it's backed by DIN 18204-1 authorization for building products.

Crafted in Germany to shorten routes and raise standards, it's the material that makes compliance feel effortless – and events look effortless, too.
