

SIDECURTAIN 900 | 8556 5240

**Performance That Moves Forward.
Engineered for Excellence on Every Route.**

Experience transport protection at its best with sidecurtain 900 – the premium curtain system designed to keep fleets looking sharp and performing reliably every day. Its high-gloss surface delivers a striking visual finish while resisting dirt and making cleaning effortless. The material's exceptional weldability and low-smoke processing ensure efficient fabrication, reducing time and cost. Engineered for strength, flexibility and long-lasting colour brilliance, sidecurtain 900 withstands extreme temperatures and heavy use. With a wide palette of vibrant stock colours, it elevates both functionality and style, making every vehicle a standout on the road.

Colorfast

colorfast and durable, complies with DIN EN 12641-2, available in a wide range of colors from stock
