

TARP 680 HP | 8940 5340

**High performance material for tougher applications.
Strong structure. Clean and controlled processing.**

tarp 680 HP provides the extra strength you can immediately notice. It remains stable under tension, can withstand repeated handling and can still be processed cleanly. It is ideal for covers that undergo a lot of movement or rougher use.

It is a material that provides reliable durability without complicating production steps.

**Made in
Germany**

Enhanced Mechanical Strength

for superior resistance to stress and wear

High Flexibility

very pliable material for versatile applications and shapes

Practical

matt embossed finish for a refined, good-looking surface

Other colors on request. Print colors may differ from the original depending on the paper and printing process.

The technical data are approximate values based on average values determined. For manufacturing reasons, deviations of up to -5% are possible. These technical specifications respond to the current state of knowledge and are intended to provide information about our products without legal obligation. These data apply to new goods. Suggested applications do not release the buyer from the obligation to check whether the material is suitable for the intended use.
