

TARP 600 | 8948 5340

**Lightweight tarp for straightforward everyday work.
Easy to cut, weld, and install.**

For projects that don't require heavy-duty materials, tarp 600 keeps workflows simple. It is flexible, easy to align and quick to weld. Outside, it provides reliable protection without adding unnecessary weight.

It's a good match for high-volume, practical applications where efficiency matters most.

**Made in
Germany**

High Flexibility

very pliable material for versatile applications and shapes

Practical

matt embossed finish for a refined, good-looking surface

Weldability

excellent weldability and less smoke during welding

Other colors or widths on request. Print colors may differ from the original depending on the paper and printing process.

The technical data are approximate values based on average values determined. For manufacturing reasons, deviations of up to -5% are possible. These technical specifications respond to the current state of knowledge and are intended to provide information about our products without legal obligation. These data apply to new goods. Suggested applications do not release the buyer from the obligation to check whether the material is suitable for the intended use.
