

TARP 485 | H5450

**Lightweight cover for mobile or temporary use.
Fast fabrication, easy handling.**

When speed and mobility are important factors, tarp 485 is the obvious choice. Lightweight, flexible and quick to process, it is ideal for temporary set-ups, mobile covers or cost-efficient runs.

It simplifies work and saves time without compromising on basic durability.

High Flexibility

very pliable material for versatile applications and shapes

Practical

matt embossed finish for a refined, good-looking surface

Weldability

excellent weldability and less smoke during welding

**Made in
Germany**

Other colors on request. Print colors may differ from the original depending on the paper and printing process.

The technical data are approximate values based on average values determined. For manufacturing reasons, deviations of up to -5% are possible. These technical specifications respond to the current state of knowledge and are intended to provide information about our products without legal obligation. These data apply to new goods. Suggested applications do not release the buyer from the obligation to check whether the material is suitable for the intended use.
